

American Lincoln Part

American Lincoln Parts - Presently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machines. Within the industry they are recognized within the industry as providing strong and durable machinery which satisfies the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nationwide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, machinery and parts for these scrubbers which carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility managers where efficiency and results count. Lately, this floor scrubber model has been used by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location because of the model's high standard of quality and utmost performance level for polishing concrete.
